*“This week at Shea’s, adorable Patrick Boyd played Leo, giving a winning performance.”*

*“Endowed with copious singing, dancing and acting talent, seeing Boyd bloom on stage and ultimately win over the audience who had come expecting to see a “star” was more heartwarming than the play proper.”*

*“For the Buffalo run, the role of Leo Bloom is being played by Patrick Boyd. Boyd made a good straight man. His voice carries, and dancing and singing—especially in the show stopping “Unhappy” number – were a delight.”*
